

For Students: How to Look Up Your Academic Advisor in Workday

Welcome to the guide on how to look up your Academic Advisor in Workday. In this guide, you will learn the step-by-step process to access the Academics Hub and find your Academic Advisor. You can get started with the following instructions.

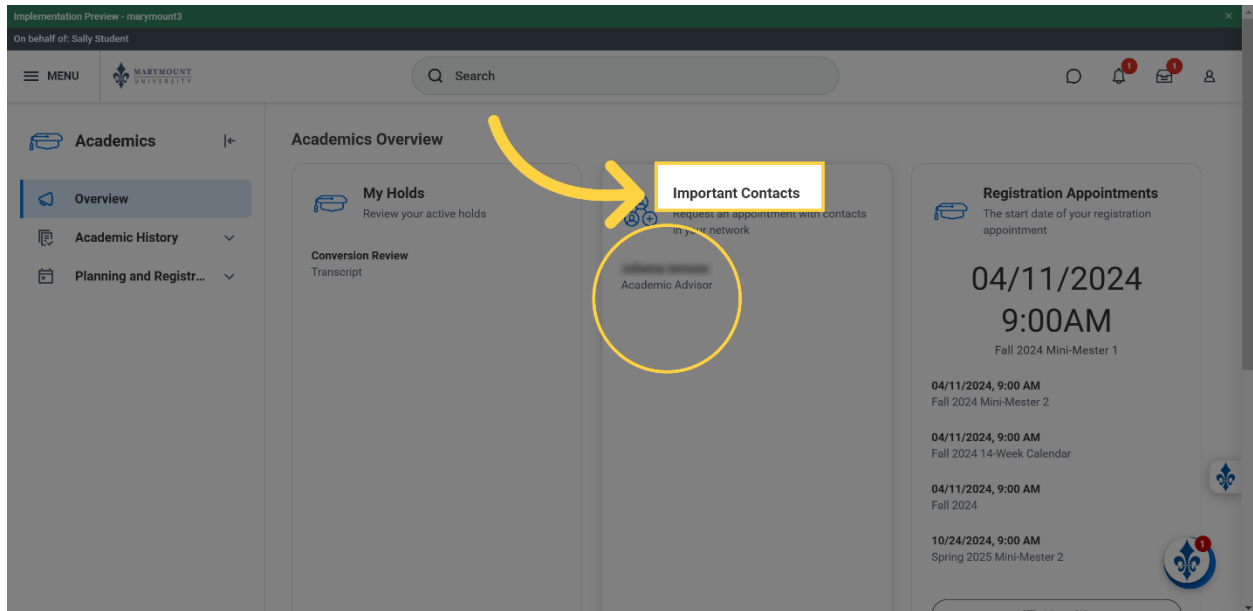

1. Academics Hub

From the main Workday screen, scroll down to the YOUR TOP APPS tile and click on the Academics Hub icon.

2. View "Important Contacts"

Locate the name of your Academic Advisor in the Important Contacts tile of the Academics Hub overview screen.

In this guide, you learned how to access the Academics Hub and find your Academic Advisor in Workday. By following the provided instructions, you can easily locate the necessary information and connect with your Academic Advisor.
