

SAINTS CONNECT View Your Compensation

OVERVIEW

Workday allows employees to view their compensation by accessing their employee profile. Note that employees paid via stipend are not able to view their total compensation (this includes Adjuncts, Graduate Assistants and Students who do not complete a timesheet for compensation).

STEPS

1. From any page, click on your profile photo in the top right-hand corner and choose **View Profile** (if you have not changed your profile photo, your default icon will be a cloud).
2. In the blue left-hand pane, choose the **Compensation** option.
3. Clicking this will default to the **Compensation** tab which shows your total salary (plus allowances), pay grade, compensation plan, and pay frequency. The second tab, labeled **Pay Change History**, shows how your compensation has changed since your start date.
